

ADAMO
COLLECTION

I AM ADAMO – I create a soft, classic, and luxurious interior. My gentle lines and 45-degree angles make me perfect for cozy homes with rugs, divided windows, and the smell of fresh baked pastry.

CIRRUS
COLLECTION

I AM CIRRUS – a must-have for anyone wanting to stay on trend and seeking uniqueness in every detail.

PLENUS
COLLECTION

I AM PLENUS – my surfaces are smooth. I can be made from MFC, painted MDF, or oak veneer. I stand out with my even surface and a variety of colors and handles.

FLUCTUS
COLLECTION

I AM FLUCTUS – inspired by Baltic Sea waves, with smooth and consistent patterns. I fit perfectly into interiors with earthy tones and pine surroundings.

MONS
COLLECTION

I AM MONS – similar to ADAMO, but with sharper shapes – crafted at a 90-degree angle. I look perfect in a modern classic setting, ideal for those who love timeless and understated elegance.

TEMPUS
COLLECTION

I AM TEMPUS – I have won hearts with my modern handle design and incredible comfort – try me!

INTUS
COLLECTION

I AM INTUS – who needs handles? My surface is smooth, featuring a sleek J-shaped groove along the facade, perfect for creating a flawless minimalist interior – no extra or unnecessary details.
